MEMORANDUM FOR: Deputy Director of Central Intelligence

VIA: Executive Director
Deputy Director for Administration

FROM: Robert W. Magee
Director of Personnel

SUBJECT: An Employee Recommendation for Awards

1. ACTION REQUESTED: That you approve the recommendation contained in paragraph three.

2. BACKGROUND: An employee suggestion has been submitted recommending that the family of an Agency employee who dies be presented with the flag which was flying over the Headquarters Building at the time of the employee's death.

STAT

a. We believe that the suggestion has merit but in a modified version. Employees who die in the line of duty generally receive some type of posthumous award in recognition of their contributions.

STAT

We are not recommending presentation of a flag in death cases involving normal circumstances since we believe that to do so would diminish the recognition provided to families of those Agency employees who die in the performance of duty.

b. Our research indicates that this award would fit into our existing awards program and regulations.

c. If you approve this recommendation, the suggester will be given credit through the Suggestion Awards Program for the idea.

ADMINISTRATIVE - INTERNAL USE ONLY

SUBJECT: An Employee Recommendation for Awards

3. RECOMMENDATION: That the families of employees who die in the line of duty be presented with a flag which has been flown over the Headquarters Building in recognition of the employee's contribution to the Agency and the United States.
